

COST is supported by the EU Framework Programme Horizon 2020

LOCAL WORKSHOP IN SPAIN

26TH and 27TH SEPTEMBER 2018

VISIBILITY AND KNOWLEDGE ABOUT RATIONING CARE PHENOMENON

This event is organized within the programme *European Cooperation in Science and Technology (COST)*, under the specific Action *RANCARE (Rationing - Missed Nursing care: An international and multidimensional problem)*: WWW.RANCARE-ACTION.EU

Date, time and location:

-September 26th 2018: 17:00 – 19:00

Location: Official College of Nursing in Malaga (*Colegio Oficial de Enfermería de Málaga*)
Address: C/ Juan de Herrera nº38 - 29009 (Málaga, Spain)

-September 27th 2018: 9:00 – 17:30

Location: Malaga. Health Sciences Faculty of Malaga University (*Facultad de Ciencias de la Salud de la Universidad de Malaga*)
Address: Arquitecto Francisco Peñalosa, 3, 29071 (Malaga, Spain)

Aims:

- 1) To know and analyze the concept of rationing care-missed care
- 2) To give visibility to this problem and possible tools to minimize its impact on nursing care.
- 3) To encourage the involvement of nursing managers in the search for resources to alleviate the possible problems that rationing-missed care may cause.

Target: Nurse Managers, Nurses, Health Policy Makers, PhD Students, Master Students in Health Sciences field
